Care should be exercised when comparing incidence rates for bladder cancers: for some registries the ICD10 code C67 may include neoplasms in-situ and of uncertain or unknown behaviour together with invasive cancers. Rates based on less than 10 cases are in italics.

†Important. See note on population page.

Care should be exercised when comparing incidence rates for bladder cancers: for some registries the ICD10 code C67 may include neoplasms in-situ and of uncertain or unknown behaviour together with invasive cancers. Rates based on less than 10 cases are in italics.

²*Important. See note on population page.

Care should be exercised when comparing incidence rates for bladder cancers: for some registries the ICD10 code C67 may include neoplasms in-situ and of uncertain or unknown behaviour together with invasive cancers. Rates based on less than 10 cases are in italics.

²*Important. See note on population page.
