Care should be exercised when comparing incidence rates for bladder cancers: for some registries the ICD-10 code C67 may include neoplasms in situ and of uncertain or unknown behaviour together with invasive cancers.

*Important. See note on population page.

Age-standardized (world) incidence (per 100,000) and cumulative (0-74) incidence (percent) rates and standard errors Bladder (C67) (contd)

Care should be exercised when comparing incidence rates for bladder cancers: for some registries the ICD-10 code C67 may include neoplasms in situ and of uncertain or unknown behaviour together with invasive cancers.

*Important. See note on population page.

**Age-standardized (world) incidence (per 100,000) and cumulative (0-74) incidence (percent)
rates and standard errors

Care should be exercised when comparing incidence rates for bladder cancers: for some registries the ICD-10 code C67 may include neoplasms in situ and of uncertain or unknown behaviour together with invasive cancers.

† Important. See note on population page.
